

Delaware SeaGals Softball team needs senior players for women's summer league

Please join a renewal of a women's Slow-Pitch softball team for competitive softball and camaraderie in Rehoboth Beach, Sussex County.

The original SeaGals dissolved due to the impacts of the pandemic emergency after seven years of league and tournament play. Team captain, JuneRose Futcher aka JR has dreamed of her own softball team and wanted to expand and build the SeaGals after a successful 2022 tournament performance in Delaware. All women players qualified for the National Senior Games 2023. Many ladies on DE SeaGals have played in little league, highschool and college, raised on the Delmarva Peninsula (and continue play in regional and national tournaments) and across the United States. The squad is a motivated and united team of senior softball ladies and all walks of life are welcome. Players must be **over the age of 45**. The original women's league was inspired by Beebe Medical Center women softball players on the diamond as far back as the 1980's. The women's senior league was established in early 2000's for many enjoy the game in their senior years in Sussex County. Opening games are scheduled for Tuesday, May 16.

Delaware SeaGals is seeking team boosters for the summer league and team accessories, with the aim for Delaware state & national softball programs.

1. Softball skills are expected

2. Over the age of 45 is mandatory

3. Participation in softball practice and meetings is expected. Note: Practices are held on Tuesday & Thursday and Saturday practices may be called.

4. Weekly games are on Tuesdays afternoons at the original Rehoboth Little League now

the Rehoboth Sportsplex.- Holland Glade Road, near Rt 1 and Rehoboth Beach.

5. Game times are 6:15. Teams arrive early to practice and warm-up.

6. Official certified umpires will be calling games.

7. Games are played and regulated by national senior rules supported by league policies.
